Proceedings of the Three Man Committee inspection held on 31-5-62 in Sagar Division for release of forest lands for the expropriated ryots of the S.V.H.E.P.

PRESENT.-

Sri Y.M.L. Sharma, M.Sc., A.I.F.C.,
Conservator of Forests,
Shimoga.

Sri H.L. Nage Gowda, B.Sc., LL.B.,
Deputy Commissioner,
Shimoga District, Shimoga.

Sri S.Obeidullah, M.A., LL.B.,
Special Officer for Rehabilitation and
Irrigation Development in T.B.S. Projects,
Shimoga.

The following decisions were arrived at as a result of the inspection of the under-mentioned areas:

I. Kaspadi S.Nos.15 and 21 (area 10 acres.)-

This is situated in Ullur State Forest of Sagar Range. The area contains stunted growth of Mathi, and blanks. It was agreed to recommend for cultivation.

II. Channasetty koppa S.No.18 (46 acres).-

Kotekoppa	S.No.23	(25.19 acres)
-do-	S.No.24	(11 acres)

All these three areas are situated in the Malandur State Forest where natural teak is absent and the plots are pockets which are suitable for cultivation. It was however found that release of S.No.24 of Kotekoppa consisting of 11 acres would not be in the interest of maintaining the continuity of the State Forest. It was therefore decided that except 11 acres of S.No.24 of Kotekoppa, the other plots namely, 25.19 acres in S.No.23 of Kotekoppa and 46 acres of S.No.18 of Channasetty Koppa be released for allotment to the expropriated ryots.

III. The undermentioned S.Nos. were inspected in Mysavi State Forest of Sorab Range. It was found that there was not much of growth in the area except

..2.

stunted Mathi and kavalu and there were large blanks perhaps the sites of old cultivation. It was agreed that 69.55 acres as indicated below may be released for allotment to the expropriated ryots.

Mysavi State Forest.-

	S.No.26 -	25.00	S.No.26)
	S.No.26 -	8.00	
	S.No.25 -	4.00	
Haravally	S.No.36 -	25.00	
	Total:	82.00	

These plots were found to be near the Iduvani dam and also some in continuation of the plots released for cultivation and adjoining the Sharavathy River. The sites were found to be suitable for cultivation. Further, it was also found that the expropriated ryots who were requesting for allotment of these plots are the Kunbhi marattas who were the schedule tribes in the Sagar Division. It was, therefore, agreed to release the area of 82 acres as mentioned in the S.Nos. above.

Most of the plots agreed for release during this inspection area are situated round about Sagar well outside the natural teak zone of our forests.
